PETITIONING THE COURT

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

- | | |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. | The offender has violated the special supervision condition which states
'RESIDENTIAL REENTRY CENTER PLACEMENT (3 months WITHOUT weekend privileges) |
|----|----------------------------------------------------------------------------------------------------------------------------------------------------------------|

You shall reside for a period of 3 months in a community corrections center, halfway house or similar residential facility and shall observe all the rules of that facility. You shall not be eligible for weekend privileges. You shall pay subsistence as required by the program.'

While at Toler House Residential Re-entry Center, the offender received incident reports for being insolent with staff, interfering with count, and for arriving late for curfew. On September 20, 2012, the offender was deemed a program failure and was asked to leave the facility.
